

## **2022 SOLID WASTE COLLECTION AND DISPOSAL PROCEDURE**

### **Residential Solid Waste:**

1. Hot Springs Village POA recommends all household waste be placed in a plastic bag and placed in a POA issued residential container. The POA is not responsible for picking up loose trash that may fall out of the can as the can is being tipped.
2. Sanitation carts must be placed at the street edge in front of the residence no later than 7:00 A.M. on the day of collection and removed from the curb within 24 hours of collection.
3. 96-gallon residential trash cans are provided by HSVPOA.
4. No yard waste, special collection items, or building materials will be collected or mixed with any regular household waste.
5. Residential customers are limited to a maximum of two (2) carts
6. For an additional fee, special service may be provided for at house collection of solid waste. Residents that are medically disabled are eligible for a 20% discounted rate, with a letter from their doctor.
7. Only POA licensed waste haulers can pick up residential solid waste within the boundaries of Hot Springs Village POA.
8. POA sanitation crews have the right to refuse pick up of any waste non-compliant to policy.

### **Yard Waste – Call in Required – 501-922-5524**

1. A yard waste tag is required on each yard waste bag or bundle of limbs. Yard waste tags can be purchased.
2. Yard waste is picked up by special request only and must be placed within five (5) feet from the edge of the road.
3. Beginning March 1, 2022, all yard waste will be required to put into paper yard waste bags. The POA will no longer pickup yard waste in plastic bags or plastic bio-degradable bags. There is a limit of 50 bags per collection.
4. Limbs must be cut to lengths of four (4) feet or less, must be bundled, no more than 3" in diameter, and weigh no more than 40 pounds per bundle.

### **Special Collections – Call in Required – 501-922-5524**
